Prevost has served multiple state prison terms, the longest, a seven (7) year term for second degree robbery with prior. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Prevost absconded from post release community supervision (PRCS). Prevost qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance falls under the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
